Theme Park & Recreation Ecosystem

XERPIUM THEME PARK is an ERP solution for theme parks, rides, and recreation venues — covering ticketing & visitor management, retail POS, F&B, merchandise inventory, ride maintenance, HR, and accounting with a theme-park-specific COA.

Ticketing & Visitor

Point of Sale — Ticket sales at the counter, multi-cashier, multi-payment (cash, QRIS, card, e-wallet)

Online Ticketing — E-commerce website for online ticket sales, date-specific booking

Visitor Check-in — Scan ticket barcode/QR, real-time validation, entry count tracking

Ticket Types — Adult, child, family pass, annual pass, promo, group, corporate

Capacity Control — Daily quota per ride/zone, real-time occupancy

Queue Management — Virtual queue, fast pass, estimated wait time

F&B & Retail

POS F&B — Multi-outlet: restaurants, kiosks, food courts, food trucks

Menu Management — Recipe, food cost %, pricing per outlet

Kitchen Display — Order routing to kitchen, preparation status, serve time

Inventory — Raw materials, beverages, snacks, merchandise — multi-warehouse

Souvenir Shop — Retail POS, barcode scan, stock real-time

Promo & Bundle — Combo meal, member discount, happy hour, seasonal promo

Ride Maintenance

Asset Registry — Roller coaster, drop tower, carousel, water ride — with specifications & manuals

Preventive Maintenance — Daily/weekly/monthly schedule, checklist, sign-off

Corrective — Work order for emergency repairs, priority, downtime tracking

Safety Inspection — Daily pre-operation inspection, periodic certification

Spare Parts — Ride-specific spare part inventory, reorder point

Downtime Log — Downtime duration, cause, repair cost

Accounting & COA

COA Theme Park — Ticket revenue (41xx), F&B (42xx), retail (43xx), parking, tenant rent

Revenue Recognition — Deferred revenue for annual passes, group deposits

Cost Center — Per ride, per outlet, per event — analytic accounting

Balance Sheet — Ride assets (ride equipment), accumulated depreciation, spare parts

Tax — 11% VAT, final income tax on tenant rent, tax-exempt fiscal position

Theme Park ↔ Accounting

Ticket, F&B, retail revenue automatically to GL

Theme park-specific COA, annual pass deferred revenue

Theme Park ↔ Inventory

F&B stock, merchandise, ride spare parts
